+ **IN-MAJOR GPA:** Indicates in-major courses for purposes of calculating in-major GPA.

Area of Specialization

Select 18 Academic-advisor approved Specialization credits: The student must file an area of specialization form with the Department of Agricultural, Leadership, and Community Education undergraduate office. Students may either choose an approved minor to fulfill this requirement or complete at least 15 hours at the 3000 level or higher in the College of Agriculture and Life Sciences or College of Natural Resources and Environment.
